### ***Look Up!***

How we see the world will determine the course of our life. If we view ourselves as a random cosmic accident we will act accordingly. In a similar vein, if we view ourselves as intentionally created to co-exist with our Creator in such a manner that brings harmony to the world, we will act accordingly. That's what this series is: a vision adjustment.

*Every week will follow the same pattern:*

- *Day One: Read the 4 page essay in the book*
- *Day Two: Memorize the Core verse*
- *Day Three: Read the Core Bible story*
- *Day Four: Spend time Meditating on three additional verses that have the same core theme*
- *Day Five: An Action Step that is best done in the context of an accountability partner or small group study*
- *BONUS: If you're feeling like an overachiever, this is an additional memory verse to hide in your heart.*
